GETTING A CAR REPAIRED

Scrivi un dialogo tra un cliente (Customer) e un meccanico (Car Mechanic).

Puoi utilizzare alcune delle frasi e delle espressioni che trovi di seguito.

What seems to be the problem?

How can I help you?
What can I do for you today?
What brings you in today?

Have you been here before?

Is this your first time here?
Are you a regular customer?

I need new brakes.

I need a new muffler.
My car won't start.
My car is making a loud sound.
My windshield wipers are broken.
My air conditioner isn't working.
I need an oil change.

What's your license plate number?

What type of vehicle is it?
What's the model?
What year is your car?

How long do you think it will take?

When will you be done?
How long is the ride to the city center?

Is it your front or rear brakes?

front or back end?
passenger or driver side?
left or right side?
hood or trunk area?

We should have it ready for you by 5 o'clock.

It will be done by morning.
We'll have it for you in 15 minutes.
It should take about an hour.

It's also due for an oil change.

It needs winter tires, too.
It's also time to get the brakes checked.

I'll call you when it's ready.

We'll give you a call when we're done.
We'll let you know when it's time to pick it up.
